**A very affordable, compact, and reliable laser printer with the quality to enhance your professional image.**

Don't wait around. With Instant-on Technology, the first page prints in 8 seconds, so your print job is finished before many printers have even started printing.

With the reliable HP LaserJet All-in-One Print Cartridge and HP Resolution Enhancement technology (REt), the HP LaserJet 1022 Printer series produces crisp, clear 1200 dpi output that displays professional quality in all your business documents.

Save valuable workspace with one of the smallest laser printers available. The HP LaserJet 1022 Printer series fits into just the right space to satisfy your professional-quality business printing needs.

Reliable and consistent, the HP LaserJet 1022n Printer and Print Cartridge are designed for low-cost, low-maintenance performance. The robust duty cycle gives you the durability you expect from a laser printer.
